Foreword

In compiling this volume of the Royal Blue the editors have not only tried to give to you a record of events, organizations and activities, but something by which you may recall your former days at old Wa-Hi; something by which you may remember those whom you knew so well at school; and to make you feel again that Wa-Hi spirit. If it does this, we feel that we have succeeded, that our labors were not in vain.

WHO has been chosen by popular vote as the girl who has done more during her four years for the betterment of Wa-Hi than any other girl.

Hal C. Tilley

THE Wa-Hi student body dedicates this volume of the Royal Blue to him as a token of appreciation for his successful efforts to make the Walla Walla High School Band the best in the Northwest.

To the Student:

You have had your *best* teachers. Their personalities, *what they were*, by a contagious enthusiasm kindled laudable intellectual and moral convictions in your mind and heart. *Their* subjects were invested with a charm, *their* ideals were those of the school, *their* intellectual and moral companionship inspired your highest ideals and noblest efforts, *their* influence abides when Latin and Algebra are forgotten. Only as these inspired ideals and efforts are cherished and deepened will you realize the *abundant life* and justify the hopes of the admirable men and women among whom, for four years, you have lived and moved.

W. M. KERN.

The Eh Kah Nam, according to the judgment of students, faculty and alumni, has been a marked success during the past year. It has had excellent co-operation from the townspeople in advertising, has had the support of the student body, the good will of the Alumni, and the services of a very capable instructor. Thus, all that was necessary, was the confidence of the staff members. The favorable verdict of the judges upon the first publication gave them that confidence, and the experience derived from that first venture was the necessary equipment for the year's voyage of publications.

The staff has worked on the basis of "Quality and then quantity." It has endeavored to give a publication that would serve not only as a record of events and furnish good reading material, but would also give a magazine that would draw favorable comment from the exchanges. The size of the Eh Kah Nam has been increased, new cuts featured, and covers and designs of special note used.

The staff is glad to have had such an opportunity to do something for the school, and wishes to express its appreciation to everyone for the help and co-operation.

The Annual Staff of 1925 has tried to the best of its ability to produce an Annual that would not only be one satisfactory to the students, but would be one surpassing in excellence of contents, any former publication. This year it has been difficult to accomplish this because of lack of funds due to loss of advertising. This lack of funds also caused a decrease in the size of the book. Nevertheless the quality of the material contained is unquestionably good and the staff hopes that it will be so regarded by its readers.

The staff wishes to express its appreciation to Mr. Fred Wiman of the Western Engraving and Colortype Company for his help and valuable suggestions; to Mr. Egger, photographer, for his courtesy; to Mr. Gibbons for his assistance and consideration; to Delvin Sickler for aid in lettering; to the faculty and student body, whose loyal support has made the book possible, and finally to Miss Boucher for her willingness to help and for her time given in working for the Annual.

The aim of the Senate this year was to get back to its old standing as the best organization of the High School. Ten years ago it was organized by active members of the student body who received a charter for it. Their purpose was to establish an organization of good fellowship which would take an active part in the school affairs.

During the past year, the club has taken an active part in both school and social affairs, two dances and the Senate Banquet, having been listed on the calendar.

The meetings of the clubs have been mostly educational including debates and speeches on world and school topics. Social meetings were also held at the members' homes, where the Senate orchestra entertained.

Twelve new members were initiated into the order of the Senate this year. In bringing in these new members their character and actions were studied by the club. Thus, each member must be worthy of his membership.

Mr. Rush Jordan, the advisor of the Senate, has given much of his time to advise and strengthen the club and the members wish to take this opportunity to express their appreciation.

The Tillicum Campfire has had a very successful year. Several social events have been held which include a park picnic, a Christmas party, a hike and a dinner. An operetta and a dance have been planned for the spring and also a camping trip.

The members have tried their best to do and study the things for which the Campfire stands. They have striven hard for ranks and it is their ambition to have every girl a Firemaker. Eleven have attained that rank this year.

Every Tillicum member has tried to be of service and help to others and to uphold the standard set by the former members.

One of the greatest honors which has come to Tillicum Campfire this year was the award of the Faculty Scholarship Cup for the maintenance of the highest group average for one semester.

Gimmel Teth is one of the oldest of the organizations which are now a part of Wa-Hi. Throughout its life, it has always been a leader among them, helping to support all high school activities and trying in every way to make the school better.

The spirit of friendship, co-operation and activity found among the members of the Gimmel Teth society is a compelling force, under whose influence the members are better able to carry out the aims and purposes of the society.

The girls are anxious to keep up the standards of the school. In doing this they work constantly to keep up their grades, to support the athletic teams in victory or defeat; and to harmoniously join and do their utmost for the betterment of Wa-Hi.

During the year of 1924-1925 this organization has been very busy carrying out the program of the year. The meetings have been interesting and enjoyable. One educational meeting of unusual interest and inspiration has been held each month.

Perhaps no one piece of work so completely absorbed the girls as their efforts upon the play, "The Charm School," which the El Adrea and Gimmel Teth jointly produced, and which was an unprecedented success.

With the aid and kindly advice of Miss Hamm, its sponsor, the Gimmel Teths feel that it has had a very successful year, and looks forward to the year of 1925-1926 to continue its work.

The El Adrea Society has spent a very successful and pleasant year. The members have held steadfastly to their aims to promote mutual improvement in all branches of literary art. In educational endeavors, their programs have consisted in the study of plays, light and grand opera, and social conduct.

In further endeavor to furnish clean and helpful entertainment, many delightful affairs were planned. These included a matinee dance for the whole school, an informal dance, an Old Maid's Party and the annual El Adrea-Gimmel Teth Formal. For school benefit as well as to provide training in Dramatics, the El Adreas and Gimmel Teths jointly produced Alice Dun Miller's delightful comedy "The Charm School." This play was a piece of work of which they may well be proud.

The club has been very fortunate in having as a sponsor Miss Pauline Ford of the History Department. To her, it owes much of the pleasure and success of the year's work.

The W. W. Club was organized in 1916 for the purpose of promoting good fellowship in school activities and supporting worthy student enterprises. Beginning this year with eight members and ending with twenty-seven makes it one of the best years since the club's organization.

The members are known by their letter "W" which is gained by competing in the different athletic branches such as football, basketball and track. This letter means many days and weeks of hard work, and a student who has gained one appreciates the honor of becoming a member of the W. W. Club for the rest of his high school days.

The Varsity Ball which is given by the W. W. Club in honor of the gridiron heroes, has proved to be a very successful event and one to which the student body looks forward each year. The smokers have been financially successful and the club hopes that it may be able to continue such forms of entertainment.

All members wish to express their appreciation to the Coach, Mr. Rich for his co-operation as they fully realize that the first year is the hardest and that by this co-operation, they may be able to accomplish many things.

The Officers' Club looks back with pride over six years of success. Standing among the foremost of Wa-Hi's clubs it gives proof of that spirit and unity which binds its members into a powerful and efficient organization. The fifteen cadets enrolled have lived up to their standards by becoming proficient in their duties as officers and in their support of the school activities.

The club has maintained its social standing by sponsoring a dance in the first semester, and a formal dance in the second. A New Years' Dance was also given the club by Cadet-Lieutenant Louis Vollendorff. By taking an active part in promoting military competitions and tournaments, it has maintained its official capacity.

The members wish to accredit the success of the club to the support given it by Major J. M. Holmes. As a leader and teacher he stands high in the hearts of his cadets. As a comrade, he has not been found wanting and his presence and aid have always been welcomed in the meetings. The Officers Club takes this opportunity of offering the Major its gratitude for the interest which he has shown in its welfare.

Another year has passed which was one of glory and success for the Non-Com Club. Our meetings have been snappy and well attended. Many social events were planned including a dance and our annual Spring hike which has grown to be an event looked forward to by all the members.

The officers for the club were very well chosen and have carried out their duties successfully.

The Non-Coms may well be proud of their club, for everything attempted has been well done.

The Ag. Club started its activities this year by putting on a membership drive which raised the club membership roll to forty. With this working membership the club has been able in a successful way to put over all the enterprises that it has undertaken.

The first undertaking of the club was the preparation of an agricultural exhibit in the Baker-Langdon window, at the corner of Second and Alder streets, during the teachers' institute week, October 27th to 29th. This exhibit though small took considerable time to prepare, but the compliments received on the results fully paid for all the work done.

The Home Products feed was the main social feature of the year. It was held on the evening of December 12th, and was well attended by the fathers of the boys, in whose honor it was given. The meal consisted as far as possible of products grown by the members of the club on their home farms. Several other enjoyable meetings have been held, made enjoyable largely by Chef Copelan and assistants.

The Vivante Society was organized in 1921 under the name of "Koto-Klan." In 1923, the name was changed to "Vivantes" meaning alive, and each year the members have endeavored to live up to this meaning.

The purpose of the society is to help the individual members and through them to benefit the school as a whole. It has tried to accomplish this by making school life more enjoyable, increasing interest in school activities, supporting student government, encouraging higher scholarship and through these, furthering the school spirit. The many pleasant social events including dances and parties held during the year have helped in furthering this spirit.

The subject chosen for discussion at the educational meetings was "Vocations Open to Girls." During the year, each member gave an interesting talk on this subject. Some of the meetings were held at the homes of the girls in order to bring the mothers in closer touch with the members.

The 1925 class under the capable supervision of its advisor, Miss Kirk, has sincerely tried to uphold the standards set by the former members.

The Athletae Club is a new, but live organization in Wa-Hi, which is open to all girls who have earned a W through the games of basketball, tennis, or through personal efficiency. The aim of the club is to arouse interest in Girls' Athletics, to raise scholarship, and to develop a spirit of class loyalty and true sportsmanship.

The club has been very active in social functions, having had a progressive dinner, a theatre party, a dance and an Easter breakfast. The meetings have been educational at which either members of the faculty or of the club have given interesting talks on subjects concerning athletics.

The club's sponsor, Miss Juanita Frey, a very capable leader of girls, has given a great deal of her time towards making the club a success. Every member realizes and appreciates these efforts and hopes to have as capable an advisor in the future life of the club.

We have chosen the name "Ayita," which means work. We work for the joy of working and we glorify work because through work we are happy and free. Our group motto for the year has been "Seek Beauty". Where we could not find beauty, we have created it. We have had many craft meetings where we learned to make and design many beautiful things and through these we have found beauty where we did not suppose it existed. Our ceremonials have been beautiful and impressive, in keeping with our motto.

Besides our group's ideals, we have been working with the other Campfires to carry out the second law of the fire and "Give Service." We have also tried to uphold campfire standards by seeking Knowledge and thus our group has had a high scholastic standing.

A campfire girl is happy, so Ayita has had many social activities to add to the good times of its members. Among these has been a party for the new members and an oriental party.

Ayita Campfire is very proud of Wa-Hi's achievement and we are trying to add to them in every way. We have sought to accomplish this, by upholding campfire standards, and trying to be ideal campfire girls, thus benefiting our school.

The members of the Klahanee Camp Fire are trying very hard to live up to the code of the Camp Fire. They are working hard on scholarship and are trying to raise their average to the highest. They are also working hard to carry out the laws of their ranks.

There are only a few of the girls that have not taken the rank of Fire Maker and some of the girls are Torchbearers. All of the girls are planning on working this summer for some of their ranks so that they will be ready to receive them at the first ceremonial.

The girls truly believe in having a good time while they are working. At two of their social meetings dinners were prepared and served by some of the girls who were working for their Fire Makers rank.

Because so many of the members were not in town during the Easter vacation only a short hike was planned. The girls left Wednesday morning for Kooskooskie. Because of the short stay every minute was "crammed" with good times.

The girls ended their social time this year with a successful dance. Two other Camp Fires joined them in making it the best ever.

The girls wish to take this opportunity in thanking their guardian and assistant guardians, Miss Tromp, Miss Solberg and Miss Reed, for the help and advice they have given the girls during the year. The girls have all expressed their desire to have these guardians back again next year and hope that it will be possible for them to return.

The Waukeedah Campfire girls have spent a wonderfully delightful and inspiring year in upholding the ideals of Campfire and Wa-Hi. They have taken, as campfire sisters, several new girls, who are expected to keep the Fire burning brightly, when the older members must leave it.

This year, as a group, they have tried especially to find the true meaning of the second and third phases of the Law of the Fire, which are "To Give Service," and "To Pursue Knowledge." They are sure they have found the meaning of the first of these, and to express it, have tried to be of service to the community and the school in every possible way. There has not been so much material demonstration of the latter, but the interesting educational meetings, support of student government and scholastic average are proof enough that the girls have been "pursuing" it very closely.

They have eagerly looked forward to each "Big Ceremonial" and have gleaned from each a wealth of inspiration and zeal to do more for others and themselves, and to do it better.

The past school year has been a very enjoyable one for the girls of the Nissaki Campfire. First they succeeded in obtaining for their guardian Miss Kratsch, the city school nurse who is very much interested in Campfire and has made a wonderful guardian.

Under the supervision of such a capable sponsor the girls have done many things of service to the community. At Christmas time they gave a box to a poor family and on St. Patrick's Day gave an entertainment at the County Farm.

Several very interesting meetings have been held during the year. The program at these meetings included a talk on first aid, etiquette and one on Servia. Besides these meetings, there have been parties and hikes. Although the girls consider this year very successful they do not intend to call it complete until they have had their summer camping trip.

The Okihi Campfire was organized in 1924 by a group of seven girls. They chose that name, which means "to accomplish", because it expressed the desire of the group and the deed which they wish to fulfill.

Seven new members were voted in in September and have proved to be true Campfire girls. As an advisor the club was so fortunate as to secure Miss Millbrook.

According to the "Campfire Crede" the club has accomplished one of the seven promises. This one was "To Give Service." It has boosted Wa-Hi, attended its activities and has upheld student government.

Several enjoyable parties have been given throughout the year, besides the regular meetings. As the club has grown in numbers, so has it endeavored to grow in "Work, Health and Love."

This year the Spanish Club has had the largest enrollment that has ever been recorded since it was organized. In 1920, Mr. Cusicanqui started the Spanish Club with the aim of promoting interest in the Spanish language, art, and customs and to have a wholesome good time. It is now one of Wa-Hi's best and liveliest clubs.

Every second and fourth Tuesday of the school month, the club meets to discuss both business and social duties. Besides the regular meetings, two dances and a picnic have been held. This year the Spanish Club has been able to select pins, one of which every member is proud to claim.

Much of the success of the society this year is due to the club advisor, Miss Lena Cochran, who has freely given her time during the past year.

Other clubs will do well to imitate the record the Spanish Club has made this successful year.

The year 1924-1925 has been a successful one for the Classical Club which is composed entirely of Latin students. Each one has done his best to raise and uphold the standards of Wa-Hi.

Many successful and interesting meetings have been held. The programs of these meetings have back of them a classical or historical significance. At one meeting several of the members recited Mother Goose Rhymes in Latin. At another we enjoyed a Roman Style Show from which we learned the styles and hair dress of the ancient Romans. A Council of the Gods was held in the cafeteria where the events which take place in Wa-Hi were discussed, as seen from the heavens.

We are indeed fortunate in having for our advisor and friend Miss McIntyre who gives us many interesting accounts of things she saw and did during her visit in Italy and France.

The Classical Club participates not only in business and educational affairs but also in social events. Dances and parties are planned for each semester. Each year every member looks forward to the breakfast which is held at five-mile bridge.

The membership of this club is now confined to thirty, who are elected because of their social and scholastic standing.

The Order of Gregg Artists has spent a most successful year, due to the excellent sponsorship of Miss Helen John and Miss Emma Alber. The organization was keenly disappointed upon the loss of its capable advisor, Miss John. However Miss Alber has filled that position very well. She has given her time, and many valuable suggestions to the club, for which the club has shown its appreciation. The organization wishes to thank each advisor for her kind help, in making the club a success.

The purpose of the Order of Gregg Artists is to encourage the development of skillful shorthand writing. Membership is granted to those whose notes show artistic merit. This organization is both National and Honorary. These factors tend toward success.

This organization has had a number of both business and social meetings. Parliamentary Law has been studied in the business meetings, and the results have proved satisfactory because each student feels that he has learned completely our form of government. The social meetings have been interesting to each member, due to the many enjoyable hours spent in companionship with fellow-members.

The O. G. A.'s of 1924-25 wish the members in future years, the success which has come through upholding the standard of such a worthy organization.

During the past year, a new organization, the Wa-Hi Art Club, has come into existence. The club has been formed for the benefit of those interested in Art in any form. Its aim is to stimulate artistic ambition among the students; also to establish a permanent art course in the school.

Under the capable leadership of Miss Peterson, the club has advanced rapidly. It has been very fortunate in securing as instructor, Miss Chesley, City Art Instructor, and welcomes any further additions to its membership.

The Watanopa Campfire was organized in 1924 by Miss Tromp and Pauline Greenway. The name means "to embark." The club started with six charter members, but its membership rapidly grew. The history of the new group for the past year is one of which the members may well be proud.

The social events of the year included a Valentine party and a St. Patrick's dance. Out-of-door events were greeted joyfully by all, especially the week-end camping trip in May.

The Watanopa Campfire is important to Wa-Hi because it has shown others the benefits derived from campfire. The clean living, fun, and enjoyment have brought many new members into the group this year. Every girl holds the highest ideals and moral standings and lives up to them. Many are wondering what the new year holds for so successful a group. It will surely be another triumph.

The year 1924-25 has been one of the most successful ever known by the French Club. During the first semester the first frolic of the year was put on by them and was a tremendous success. In the latter part of the month of October they put on an all-high school dance at the Parish House which was undoubtedly greatly enjoyed by all who attended. However the really big thing they did was to successfully take charge of an assembly at which they presented the play "The Man Who Married a Dumb Wife" by Moliere.

During the second semester a movie was put on in April and a dance given for the members of the club and their friends. But besides these events there have been many fine educational meetings given. Also the club is very proud of the high average maintained by the French Club this year. The club is looking forward to an even more successful year next year.

The Walla Walla Chapter of the National Honor Society, which was organized last year, is now a full-fledged organization. Its purpose is to promote and reward Character, Scholarship, Leadership and Service, and by encouraging members and would-be members to maintain high scholarship, it has raised the scholarship of the entire school. The National Honor Society assembly brought the organization before the Student Body and brought the students in touch with Phi Beta Kappa, as well, for the program was put on mainly by Phi Beta Kappa members from Whitman College. The society has succeeded socially, too, having given a dance for the alumni members, a banquet for one group of new members and a picnic for the second group.

With the old spirit of Wa-Hi, but with a new system for action, the student Government Staff has, this year, set a standard that will be hard to surpass. Student Government has gained a firmer foot-hold in our school; and why shouldn't it grow stronger as the years go by? Student Government represents the very foundation of our school. It is symbolical of genuine self-reliant citizenship. It should be advanced and treasured in all the years to come.

Students, we must realize that we are soon to become citizens of our great nation. We want to be worthy of that citizenship and Student Government offers the best opportunity for developing the right principles and habits for citizenship in a democracy. Therefore, let us dedicate our endeavors to the continued success of Student Government in Wa-Hi.

The influence of the Girls' Council is felt more perhaps than that of any organization in Wa-Hi, for it is through the Council that the regulations of Dress Reform are carried out. This reform was introduced in Wa-Hi in 1921. At the same time the council was organized to enforce the rules and to try those girls who violated them.

Much of the success of the Council has been due to the friendly interest of the dean, Miss Wenstrom, and every girl of the student body fully appreciates her help towards the furthering of the cause of Dress Reform.

GIRLS' ATHLETICS

The competition in girls' athletics was much stronger this year than in previous years, about fifty girls turning out for practice. The Freshman class had the greatest percentage, but the Sophomore won the interclass series by an eleven point margin over the Juniors. From such material was picked the Mythical All-Star team consisting of Iris Hoon, Alice Lanning, Jean Stockdale, Grace Johns, Bernice Struthers, Pauline Thomas, Helen Gibbs, Dorothy Crawford and Freda Rosenberry.

Interclass baseball is to be played this year, practice for the indoor games having already begun.

More interest was shown in volley ball this year than in previous years, about forty girls turning out. The Sophomores were victorious.

The letters awarded for personal efficiency this year are to be given by vote. To the girl who is considered the best all round athlete and best representative of true sportsmanship, one hundred points will be given toward the winning of a Personal Efficiency letter. These letters are awarded to the nine girls securing the highest number of points for participation in all sports. These letters are offered and sanctioned by the Personal Efficiency department.

Letters have been given the last two years for girls' single championship tennis, Freda Peterson being champion in 1923 and Lorraine LeRoux in 1924. If the school had better facilities for such a sport there would be good competition with other schools, but only competition between the students now exists. In spite of lack of facilities, tennis will be stressed more than ever this year, and letters will be given for both singles and doubles championships.

Gimmel Teth and El Adrea Play

As the first play of the school year, the Gimmel Teth and El Adrea societies presented on December the sixth, Alice Dunn Miller's delightful comedy "The Charm School." The roles were competently enacted by a cast including Louis Vollendorff, Henrietta Hanson, Kenneth Casey, Mary Richmond, Dawson Funk, Catherine Bleakney and Bernice Struthers. The settings in which the characters moved were both consistent and pleasing. The play was under the able direction of Mrs. Blomquist.

Between acts entertainment was furnished in the form of dancing by Lucyreta MacMartin and Thelma Hutsell.

SENIOR PLAY CAST

Senior Play

This year has added something in the form of educational entertainment which we hope may be repeated often. This is the presentation by the Senior Class, on April third of "The Taming of the Shrew." The cast not only exhibited great skill in portraying the parts but also gave new vigor to the lines.

Mrs. Bloomquist, as director, has carried on to further glory the fine work she has already exhibited in the casting and directing of "The Charm School."

Eh Kah Nam Trophy Contest

In 1922 the custom of giving an Eh Kah Nam Trophy cup was established. Its purpose was to stimulate interest along oratorical lines. The name of the winner of the contest is engraved on the cup. The competition in such contests has been very keen and many brilliant orations have been produced.

This year the work was especially good. The subjects were chosen with discrimination and were worked out with ability and variation. The winners in the preliminaries and their subjects were:

"International Peace"	Hilda Gaylord
"International Peace"	Herschel Hadley
"Joan of Arc"	William Hempstead
"Peace and War"	Hazel Gross
"Theodore Roosevelt"	Kenneth Garner

Debate

One of the most important branches of every school's life is debate, and Wa-Hi has not neglected this phase of activity. For several years interclass debate has been held in the school. This custom has aroused so much interest and competition that even those who do not debate are enthusiastic supporters. The English classes, by the teaching of the technicalities of debate have also been of much assistance in creating interest. The debaters of this year were:

Seniors—Hilda Gaylord, Mabel Ferguson, Hershel Hadley.

Juniors—Walter Ryan, Patricia Kain, Melvin Kennedy.

Sophomores—Eugene King, Paine Paul, Isabel Kain.

Freshmen—No team.

Music

The Wa-Hi Band (78 pieces)

Wa-Hi R. O. T. C. Band

The Wa-Hi Band, known as the Wa-Hi R. O. T. C. Band, was organized in October, 1918. The object of its organization was to teach instrumental music to high school students. With such teaching the band grew in members. Its first appearance was in assembly in 1918. At that time it contained eighteen active members but at the end of that year had increased to thirty two active members. Now, in 1925, the band contains seventy-eight active members.

Each year the band has come to be used as the official band in all community affairs of the valley. It furnished music at Whitman athletic affairs, town affairs by the college and townspeople, and for all Wa-Hi occasions. It was selected in 1924 as the official band for the Rotary Convention at Spokane, and ranked highest of all the R. O. T. C. bands in the Pacific Northwest.

One of the most noticeable performances of the year of 1925 was held in the Wa-Hi auditorium on March 20, and was broadcasted by radio.

The program was as follows:

March—"Scoutmaster"	<i>Jewell</i>
Overture—"Spirit of the Age"	<i>Hayes</i>
1st Movement—"Unfinished Symphony"	<i>Schubert</i>
Cuban Dance—"Rosemary"	<i>Jewell</i>

WA-HI BAND

March—"Fidelity"	<i>King</i>
Overture—"Festal"	<i>Hazel</i>
Serenade—"Mooning"	<i>King</i>

SAXAPHONE BAND

Concert March—"Wein bleibt Wein"	<i>Schraemel</i>
Am Moor—"By the Sea"	<i>Schubert</i>
Serenade—"Les Millions d' Arlequin"	<i>Drigo</i>
Selection from "The Prince of Pilson"	<i>Luders</i>
One Step—"Bones Trombone"	<i>Fillmore</i>
March "E Pluribus Unum"	<i>Jewell</i>

WA-HI BAND

The music was of the best and especially noticeable was the symphony, which is not often attempted by bands.

Saxaphone Band

The novelty musical organization in Wa-Hi this year is the saxaphone band, directed by Mr. Tilley. This band, composed entirely of saxaphones, is something new and interesting. It contains eighteen members.

This band has not appeared as many times as the R. O. T. C. band or the Pep Band, but has been received with enthusiasm at every performance. It has played in assembly, for basketball games, and has played for radio. Since very few schools or communities can boast of such an organization, the Saxaphone Band is something of which Wa-Hi may well be proud.

Pep Band

The Wa-Hi Pep Band under the direction of H. C. Tilley is one of the liveliest organizations in Wa-Hi. This year is the second year of organization but this little group of musicians is well known in the eastern part of Washington, having played for many affairs. It furnished music for the "Apple show" at Milton, played at the Wa-Hi football and basketball games and at affairs of this community and other communities. The members of the band are: Clarinets—Howard Robertson, Carol Palmer, Carm Farrens; Trumpets—Wade Sims, Ned Ransom, James Richmond; Horns—Verl Tetherow, William Holland; Baritone—Francis LeRoux; Trombones—Dan Tilley, Glen Whitney; Base—Roy Kirk; Saxaphones—Glen Eubanks, John Kremer; Drums—Bud Jensen, Robert Church.

Glee Club

The Wa-Hi Glee Club under the direction of Mr. Marr has done some real work this term. Instead of having the boys and girls in separate glee clubs, they have been taken as a whole body, which is superior to either of such separate divisions. The club was late in organizing this year, but has laid a good foundation for next year.

The purpose of the high school glee club work is, not to expect trained voices and polished ensemble work but to develop interest in music which would lead to a real appreciation of music and encourage later training, and would give experience in group singing.

Mr. Marr has made good selections in songs, which are not strictly classical and appeal to the modern music lover.

The Glee Club has appeared before assemblies several times and has met with the enthusiasm and appreciation of every Wa-Hi student. Such an organization is certainly one to be encouraged in Wa-Hi.

Wa-Hi R. O. T. C. Unit Rifle Team

It will be remembered that as a result of the high standing it made last year in the Ninth Corps Area gallery competition (third on the list of sixty-six teams competing) the targets of the Walla Walla High School R. O. T. C. National Indoor Rifle Matches, which were conducted April 15th were immediately forwarded to Washington for verification by officials of the National Rifle Association; but the final returns were not received until about June 15th.

According to the National Headquarters, Wa-Hi's team stood at the top of the list of sixty-four teams representing schools all over the United States and were the undisputed champions of the United States. Indeed the official count gave the team thirty-two points more than were credited by the commandant, the aggregate score being 7852 out of a possible 8000, or over 98 per cent.

This almost incredible score was by far the highest score made by any team in a match of this kind and it is believed that it is likely to stand as the world's record for some time.

The following compose this years rifle team:

Name—	Score	Per Cent	Name—	Score	Per Cent
Clifford Long	524	87.33	Harry Erlich	500	83.33

Some Events of the Year

As was predicted last year, the military department has had an exceedingly successful year, due perhaps, to the seriousness with which every man in the unit has taken his work. One of the new events of the year was the formation of a military court which was formed for the purpose of increasing a higher degree of honor among the unit, by not allowing the uniform to be mixed in any way and thereby increasing the appearance of the men on the streets around town. The men of the unit have taken this matter to heart and there have been very few mixed uniforms worn.

Our first inspection of the year came on November third, when Major H. L. Jourdan inspected the unit. A very good showing was made.

A practice Battalion Review was held on December third, and we are sure that those who both participated in and viewed this event, were pleased with the snap and precision with which it was put across. On March twelfth another practice review was held and much better showing was made than at the last one.

Grand Military Tournament

The Fourth Annual Grand Military Tournament of the Reserve Officers Training Corps, Walla Walla High School, was held at Ankeny Field, Whitman College Campus on Wednesday, May 21, 1924. It was witnessed by a large and very enthusiastic audience and is considered to have been the most successful one yet held.

Immediately preceding the tournament, the unit paraded through the business section of the city on its way to the tournament grounds. The following program was then rendered:

1. Review and inspection of the Unit by prominent citizens including: Mayor Ben F. Hill, Colonel Paul H. Weyrauch, F. A., ORC, USA; Major Walter Judkins, Commanding Officer of the U. S. Veterans' Hospital; commanders of G. A. R., Spanish War, American Legion, and Veterans of Foreign Wars posts, City School Board, and the presidents of the Commercial, Rotary, Ad, and Kiwanis Clubs. Colonel Weyrauch acted as reviewing officer.
2. Battalion close order drill by the Wa-Hi Battalion.
3. (a) Army Setting-up Exercises, Companies A and B.
(b) Rifle physical drill by Company C.
4. (a) Group games and contests by Company A.
(b) Competitive wall scaling under fire by selected squads for each company for the Lacey Trophy.
5. (a) Competitive company close order drill for the Weyrauch Trophy.
(b) Competitive platoon extended order drill for the Jones Trophy.
6. (a) Shelter tent pitching contest between Companies A and B. Winning Company received honorable mention. In each company prizes were awarded as follows to each of the two men in the winning teams. First prize, fountain pen; second prize, pocket knife; third prize, Eversharp pencil.
(b) First aid competition, open to teams of three men each in the Senior and Junior classes of Company C, officers excepted. Teams consisted of operator, patient and attendant (stretcher bearer). Prizes were awarded as follows to the operators of winning teams: First prize, fountain pen; second prize, pocket knife; third prize, Eversharp pencil.
7. Individual competition and drill down. Open to all cadets, except officers. First prize, gold medal; second prize, silver medal; third prize, bronze medal.
8. Sham battle between the Blues and the Reds. Companies A and B (Blue) attacked Company C (Red) occupying a strong point. Both sides were supported by machine guns and the Blues, in addition, had a battery of two accompanying guns (cannon). Medical personnel administered first aid and carried off the wounded.
9. Battalion evening parade, including: retreat, evening gun, "Star Spangled Banner," lowering of the flag.
10. Presentation of prizes by Mayor Ben F. Hill of Walla Walla. Taps were then sounded.

The famous Wa-Hi R. O. T. C. Band furnished the musical numbers and played throughout the performance.

PURPOSE

To give the general public an idea of the character of the course of training pursued in a junior unit of the Reserve Officers' Training Corps and the progress made by the Wa-Hi unit during the past year.

To increase the efficiency of the Wa-Hi Cadet Corps by stimulating a strong spirit of rivalry in officers and men.

To teach lessons in patriotism and respect for the flag and all that it represents.

To raise a badly needed, small fund to defray the incidental expenses of instruction and administration—no money being allotted for this purpose by either the Government or the School Board.

We editors may think and dig
Till our brains and fingers are sore,
But some poor goof is sure to say
Aw, I've heard that bum joke before.

The Prof. is my instructor, I shall not deny; he maketh me sit in the front seat; he leadeth me against my will; he joggeth my memory; he leadeth me in paths of torture, for his own enjoyment's sake. Yea, though I walk through the assembly of the shadows of distress, I fear I will flunk, for thou art with me. Even in my dreams thy word and thy staff confront me; thou preparest a "quiz" in the presence of my friends; my brain turneth over.

Surely, surely, comfort and mercy shall o'ertake me sometime in life, but the Prof. shall dwell in my memory forever.

Results of the Horse Race

Sleeping Caesar beat Aspiring yesterday in the Hootstown Handicap by the swelling on his nose caused by a bee sting.

Aspiring started the other way but managed to make a good race out of it. The jockey riding Aspiring went to sleep during the race which is said by many to have been quite a drawback.

The inmates of the jail will be put to work at once to clear the rocks off the track so it will be in good shape for the coming event between our own best which is Sleeping Caesar, as settled today and the fastest of Bunkville. It is said that Aspiring will go back to the farm.

To Go On Trip

The Hootstown champion checker team will go to Cole Junction to defend the township title. It is to be very close because Jim Hastings, the best singles player sprained his wrist in a practice match and will not be able to go with the team.

Recital To-night

Peter Schedesaboleribeske, one of the world's renowned pianists will give a recital for the deaf at the city hall to-night. It is promised to be very worth while and all are requested to wear rain-coats as he will play a storm scene. All farmers are looking forward to this as they are in bad need of rain.

Weyrauch writes life insurance.

Fine Play To Be Given Tomorrow

Bertie, the button-hole biter or The Revenge of Carbolic Acid, a sparkling melodrama in three acts is to be given tomorrow on top of the city hall. Warning!—This is not for faint hearted people to see. Anyone not having a doctor's certificate is warned by us not to see this magnificent opera.

Act I—Two hunters and a bear.

Act II—One hunter and a bear.

Act III—A bear.
The End.

Big Fight To-night

K. O. Ward, the pride of Pumpkin Center, will meet Terrible Williams, the best of Lolly Pop Hollow, in a ten round bout to-night at the Opera House. Two bits will be charged for a seat but all standing room is free.

City Briefs

Dr. Bevo Croxdale, the veterinary surgeon, has been retained as personal physician of the football team.

The Pipe Smoker's Club will meet next Saturday night at Jack Kirkman's pool room. The election of officers will take place. The meeting will adjourn so all may be home in time to take his bath.

Take Tanlac

The dinner at Cap'n Lane's last week ended rather disastrously when Lieutenant Vollendorff flat tened General Funk with a cabbage head as a result of a dispute on which had the most dessert.

Toonerville Trolley Due Tomorrow

After cleaning off the race track the boarders at the jail were requested to shovel the dirt off the railroad tracks as the Toonerville Trolley is due here tomorrow.

This will make the fourth visit of the trolley from the terminal at Toonerville. The school will be let out an hour early to see it go by. Anyone wanting to go to Toonerville, Pajama, Pimento or any point south should start packing at once.

Stop! Look! Listen!

Mike Duncan, the lunatic, is said to be in this vicinity. He escaped from Medical Lake last night. The reason why he is thought to be in this country is because two skirts are reported missing off of Peabody's back line and Jake Hamburger's Sunday pants are also missing. Although Mrs. Peabody saw somebody taking the skirts she called to him to stop so she could wash them for him but the thief did not respond. Two rat rriers from the jail are said to be hot on the trail so we assure you that you may rest easy for in a few months they will probably find him.

Ima Snail was brought up before Judge B. Hard yesterday morning for not keeping up to the city speed limit of 8 miles.
